[Send an Email to Scott](#) Charles Price

Charlie is a long time resident of the desert area and is a Southern California native. He understands why people want to move here. He also knows what it takes to keep his clients on track with purchasing their dream home, be it a house, condo or something on leased land. He takes pride in ensuring that loans are accurate and on time, every time! From the start of the prequalification process through to the funding of the loan his attention to detail will result in the best possible home buying experience. His goal is to help his clients fulfill the Great American Dream.
